### Weekly News

This week we were fortunate to receive a class set of litter pickers, collection hoops with bags, high-vis jackets with our school logo and gloves. We were invited by Chelmsford City Council to participate in the offer of free equipment to help promote keeping our communities clean and tidy. Mrs Couch, Class Jay's teacher, nominated the school for a set and we were the first school to respond. Emilia from the Council's Environmental Sustainability Team, and also a resident in Danbury, came to school on Wednesday and presented the equipment to members of our School Council. The children were eager to get started.

In the Autumn Term we have been invited by the Sustainable Danbury group, who have teamed up with the *Love Essex* project to join them for an Ecoday in October, so the date is in the diary and we will play our part in supporting the local community.

The Euros semi-final match on Wednesday was a nail-biter and we are pleased that England is through to the final on Sunday evening. As we anticipate that many families will be watching the match and it could be a late night, we are allowing children to come into school later on Monday morning (15<sup>th</sup>). School will be open at the normal time but the children need to be in school by 10.00am at the latest so that we can organize the lunches.

Yesterday we said goodbye to Mme Dekhar who has been our French teacher for 12 years. We are sorry to see her leave after so many years and wish her the very best with her new venture.

## Sports Day

Today we were fortunate with the weather and were able to hold our traditional Sports Day. This was probably one of the best ever and will leave me with many good and fond memories of traditional Danbury Park events. There were lots of personal bests achieved as well as team support and camaraderie.

The results were:

### Key Stage 2

Year 3 – **AIR**

Highest scoring boy – George

Highest scoring girl – Annabelle

Year 4 – **WATER**

Highest scoring boy – Jensen

Highest scoring girl – Zoe

Year 5 – **FIRE**

Highest scoring boy – Sam

Highest scoring girl – Avie

Year 6 – **AIR**

Highest scoring boy – Toby P

Highest scoring girl – Frankie

### KS2 OVERALL WINNER – **AIR**

### EYFS and Key Stage 1 Overall Winner: **EARTH (Green Team)**

Everyone had a great time and thank you to all the families who joined us for the sporting events as well as the picnic and open afternoon.

## Talented and thoughtful Children

Toby took his LAMDA exams in May and this week he received the outcome.

His family are SO proud of Toby who achieved a Distinction in his Solo Introductory Stage 3 Acting and a Merit in Musical Theatre Grade 1. There were some fantastic scores and comments.

Well done Toby!

## Mathletics Challenge

The Mathletics Challenge is underway and the children have been clocking up the minutes each week to earn a reward for the winning class over the term. Please encourage your child to spend just a little time each day as this really helps consolidate their Maths learning in class.

The class that made the most use of Mathletics last week was again: **Class Eider**

and the pupil was again: **Eva G** in Class Eider.

**Well done and keep up the good work! One more week to go!**

## Library Summer Reading Challenge

The theme of this year's challenge is *Marvellous Makers*. Essex Library Service and The Reading Agency are teaming up with *Create* for a very special 2024 challenge which will be a celebration of the creative arts. They aim to inspire children to express themselves in creative ways, tapping into a world of imagination and storytelling, and – of course – to read!

Children will join a group of wonderful characters, brought to life by the brilliant children's illustrator Natelle Quek, as they prepare for a big festival to show off the work they have created, inspired by their favourite reads. However, the day before the festival, some objects mysteriously go missing from their creative toolbox. The children of Essex will help the characters find these missing objects and save the festival!

The challenge runs from **Saturday 20 July to Saturday 7 September** in all Essex libraries and mobile libraries. There will also be a special early joiners' day on **Saturday 13 July**! Children are being asked to read 6 books, they will collect stickers for their folder for each book they read. After reading 6 books they earn their certificate and medal.

Children can read any library book of their choice; fiction, non-fiction, picture books, books they share with parents and carers, e-books or e-audio – they all count. The under fours are not forgotten with a special version of *Marvellous Makers* just for them.

The Summer Reading Challenge is delivered by libraries and produced by The Reading Agency. It is open to all children, free of charge. Full details can be found at:

## Special School Discount at Pirates Bay Crazy Golf, Maldon

Pirates Bay Crazy Golf at Maldon has asked us to remind families that you can get an online discount using the unique school code: danbury24

We know this is a popular venue during the school summer holidays.

## Parking

Please park with consideration for our neighbours and do not cause obstructions on the highway as this is dangerous for road users and pedestrians as well as inhibiting emergency vehicles. The safest way is to walk to school that day or park further away from school.

Last week the office staff took a phone call from a concerned neighbour who lives in Well Lane telling us that the parking is "atrocious" at pick up time. Parents and carers are now even parking on the zig zag lines! This causes an obstruction for pedestrians and other road users, which means crossing Well Lane is even more dangerous. Drivers cannot see when entering or exiting their drives and sometimes cars are parked obstructing the drives completely for up to half an hour. **This is an accident waiting to happen that we all need to avert!**

We would also remind parents that children should not ride their bikes through the car park. This is always heavily congested and is not a safe place for young cyclists.

## Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools **after 19<sup>th</sup> August 2024**.

### Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

### National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

### First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be: £80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

### Second Offence (within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent (who allowed the holiday), per child, payable within 28 days.

### Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

## **Message from Wraparound Childcare Project Team, Early Years and Childcare, Education Operations, Essex County Council**

Dear Parents/ Carers

We would like to express our sincere gratitude for your participation in the recent parent survey, regarding wraparound childcare available in your area. Your valuable insights are essential to our understanding of parents' requirements across the county, to enable us to plan where additional wraparound childcare places will be needed.

Essex County Council has a statutory duty under the Childcare Act 2006 to ensure, so far as is reasonably practicable, that there is sufficient and accessible high-quality early years and childcare provision to meet local demand. This includes provision of childcare places for children aged between 0-5 years as well as wrap around provision for school aged children (5-11 or up to 19 with additional needs).

The Department for Education (DFE) have released funding to Local Authorities to support the childcare expansion reforms. Some of this funding will be used to create new wraparound places in areas where there is currently insufficient provision. The places may be within schools, or alternatively provided by childcare providers or childminders. It is intended that these new places will be rolled out from September 2024 through to March 2026. Wraparound provision is a service that parents pay for and is not free of charge. The funding available from the government is to help support with the opening of provisions but not to subsidise the cost of the care, and provision is expected to be sustainable by March 2026.

Thank you once again for taking the time to complete the survey. If you missed the initial opportunity, the survey is still open (link below) and we welcome your continued feedback on the level of need in your area. Your input is essential in shaping the future of wraparound childcare services in our community.

## **Lunchtimes – Help Needed**

You will have seen from previous newsletters that we have had vacancies for Midday Assistants since September. We have not been able to fill these posts and this is now sadly impacting on the areas of the school that the children can use at lunchtime. Now the weather is improving, they are keen to get onto the school field, play football and to use the Daily Mile track but when we are so short of Midday Assistants to supervise these areas, we have to limit the children to using the playground and the Daily Mile track only when we have enough adults.

The senior leadership team including myself have been carrying out lunchtime duties all year but other staff need their breaks as they are teaching in class and cannot take their lunchtimes flexibly.

If you can, or you know of anyone who might be able to support as a Midday Assistant, please ask them to contact the office for more details and an application form. We want the children to be able to fully utilize our lovely surroundings safely and enjoy lunchtimes with a variety of activities.

Thank you!

**When you give a child access to the Internet, you give them access to the adult world.**

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

**What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

SKIPS Educational works in partnerships with multi-agency safeguarding partners and supporting organisations across the UK in a collective effort to keep children safe online. The organisation has provided schools with some useful information for parents including the poster opposite.

By actively engaging parents and carers in discussions about cyberbullying, it crucially reinforces positive behaviours both in and out of school amongst children and helps prevent them being dragged into situation either intentionally or inadvertently.

## Attendance

Part of our safeguarding duties and procedures is ensuring that when children are absent from school, we know where they are and that they are safe. Please remember to inform school by **9.20am each day** if your child is absent from school and to follow this up with a written letter of explanation on their return. If we do not know where your child is, we are required to use the emergency contact numbers you have given to school. So, it is vitally important that if you change your phone numbers, or your family and friends do, that you inform us.

The government, local authority and school take attendance seriously and school is required to follow up on irregular attendance and prolonged absences and also for unauthorised absences, so please do not be offended when we ask for proof of doctors' and dentists' appointment or ask for details of holiday bookings or delayed flights or sickness on return after school holidays. The government is also asking parents to send their children into school with mild illnesses and we would, of course, contact you should their condition deteriorate.

### Important information - Term time holidays

Improving school attendance is a key priority for all schools across Essex. Where families choose to take a family holiday during term time, this can detrimentally impact a pupil's progress and can prevent them from fulfilling their true academic potential. Our school attendance policy, available via our school website, clearly sets out the process that parents should follow if they wish to apply for leave during term time. Please note that applications should only be made, if you feel that there are exceptional circumstances which mean that the leave cannot be taken during the school holidays.

**We would ask all parents to note that, where families choose to go on holiday during term time and the absences are coded as unauthorised, Essex County Council may not issue penalty notices and may instead proceed to prosecution and place the case directly before the Magistrates for their consideration in court.** If found guilty by the Magistrates, parents could face a fine of up to £2,500 and/or 3 months imprisonment.

**In the Autumn Term we received answerphone messages and e-mails informing us that children are ill. A pattern is emerging and this often seems to happen on the day(s) before an unauthorised holiday. If we have reason to suspect that you have taken your child(ren) out of school on a holiday or excursion, the absence will be unauthorised and we will write to you. If you can prove that you travelled on the days in your original application for leave of absence or explain why school could not contact you on your home phone line or why we got the international dialing tone, then we will reconsider the classification of the absence. Please be advised that this may still lead to a fixed penalty notice or prosecution as explained above.**

## Danbury Park School Vacancies

### Get Active Co-ordinator

We are looking for an enthusiastic and caring person to join our friendly, supportive midday team working 12.00pm to 1.30pm term-time only as soon as possible. We have an all-weather track around our field and the older children enjoy the challenge of trying to walk a mile every day.

We are looking for the right person to help organise the Daily Mile and encourage the children to take part. This involves being creative and setting inter-class competitions as well as adding extra challenges. We can be flexible as to days. For more information, please contact the school office.

### Midday Assistant

We are looking for a midday assistant to join our team working at lunchtimes on Wednesdays, Thursday and Fridays. For more information, please contact the school office.

***The school is committed to safeguarding and promoting the welfare of children and expects the staff to share this commitment. All appointments are subject to an enhanced DBS check, medical clearance and satisfactory references.***

## Danbury Park School Lottery

We would like to remind parents about the school lottery and thank those who regularly donate their winnings back to the school.

The Schools' Lottery is where parents can take part in a weekly draw with proceeds going to the school.

Over the past four years we have raised £4 000 which we have spent on special projects like the EYFS outdoor classroom and the KS2 garden, which we could not otherwise afford. Every little contribution helps!

**Please visit the website and support us:**

**Search for Danbury Park School**

You must be 18 years of age to play and tickets cost just £1 a week.

## Notification and Reminders

**Sun Hats** – as the weather starts to improve, please provide your child with a sun hat to provide protection at break and lunchtimes from the sun. Please also apply a long lasting sun protection cream/lotion in the morning before school.

**Phone System** – the new VOIP phones are now up and running using our number of 01245 224994 but please listen carefully to the options for reporting an absence or wanting to speak with the office. **School Gateway** – Thank you to all the parents who have now joined the new online payment system. Please ensure that you download the app as per the letter sent out at the end of last term. Payments for school dinners and trips need to be made via this app. Please note that we are now well on our way to being a cashless school as part of *Our World, Our Future* project. By having the online system, staff need to make fewer journeys by car to the bank, thus reducing emissions and we are using less paper.

**Measles** – The Primary Health Care Trust has asked us to remind parents about the measles vaccine, which is available through GP surgeries. They are anxious to vaccinate all children to prevent an outbreak of a potentially dangerous disease.

**Free School Meals** – Due to Covid-19 we understand that your circumstances may have changed or may change in the near future and you may now be eligible for free school meals.
